

Project Rebuild - Launch Announcement

Date: January 2025

Status:  **LIVE & FULLY OPERATIONAL**

Platform: <https://projectrebuild.xyz/>

We're Live!

Project Rebuild is **fully operational** and ready for users! All core features are functional, tested, and running smoothly on Base Mainnet.

What's Live Now

Core Features

-  **NFT Minting** - \$15 USDC via crypto wallets (MetaMask, Coinbase, WalletConnect)
-  **Referral System** - \$5 instant commission per referral + 1 ticket per referral
-  **Prize Pool** - \$500 giveaway every 100 sales via Chainlink VRF
-  **Gamification** - Badges, levels, and achievements system
-  **Dashboard** - Complete user dashboard with stats, NFTs, and leaderboard
-  **Leaderboard** - Global rankings (All-time, Weekly, Monthly)
-  **Winners Page** - Display of all prize winners
-  **Account Management** - User profiles, settings, email preferences
-  **Email Notifications** - Winner alerts, badge notifications, referral earnings
-  **Smart Contracts** - Deployed and verified on Base Mainnet

Technical Infrastructure

-  Website: <https://projectrebuild.xyz>
 -  API: <https://api.projectrebuild.xyz>
 -  SSL/HTTPS configured
 -  Security headers and rate limiting
 -  Database and event processing
 -  Real-time updates and analytics
-

Key Features Summary

1. NFT Minting

- **Price:** \$15 USDC
- **Payment:** Crypto wallets (MetaMask, Coinbase, WalletConnect)
- **Features:** Referral code validation, tip option, instant PDF download

2. Referral System

- **Commission:** \$5 USDC per referral (instant payout)
- **Tickets:** 1 Small Block ticket per referral
- **Code Format:** NFT token ID (e.g., NFT #42 = code "42")

3. Prize Pool

- **Prize:** \$500 USDC
- **Frequency:** Every 100 sales
- **Selection:** Chainlink VRF (provably fair)
- **Tickets:** 1 ticket per referral = more chances to win

4. Gamification

- **9 Badges:** First Referral, Growing Network, Community Builder, Influencer, Legend, Hustler, High Roller, Small Block Champion, Ticket Master
- **Level System:** Automatic level calculation and notifications
- **Achievements:** Track referrals, earnings, and wins

5. User Dashboard

- Wallet connection
 - User statistics (NFTs, referrals, earnings, tickets)
 - Referral code with share link
 - NFT gallery with search
 - Prize claims
 - Badges display
 - Leaderboard preview
-

Revenue Model

Primary Mint (\$15):

- \$5 → Referral commission (if referral used)
- \$5 → Small Block Prize Pool
- \$5 → Founder wallet

Secondary Sales (6.67% royalty):

- 50% → Small Block Prize Pool
 - 50% → Founder wallet
-

Next Version (Coming Soon)

Transak Fiat Payment Integration

- **Status:** Code ready, pending API keys/KYC
- **Features:**
 - Credit/Debit card payments
 - Mobile money support
 - Custodial wallet creation
 - Automatic NFT minting for non-crypto users

Note: All code is implemented. Only requires Transak merchant account setup and KYC verification (1-3 days).

Platform Statistics

Real-time metrics available:

- Total Mints
 - Prize Pool Balance
 - Next Draw Countdown
 - Top Referrals
-

Technical Stack

- **Frontend:** Next.js 14, Tailwind CSS, TypeScript, Wagmi, RainbowKit
 - **Backend:** Node.js, Express.js, PostgreSQL, Prisma
 - **Smart Contracts:** Solidity, Foundry, ERC-721C
 - **Blockchain:** Base Mainnet (Chain ID: 8453)
 - **Oracle:** Chainlink VRF
 - **Email:** Brevo
-

Production Checklist

All systems operational:

- [x] Website live and accessible
 - [x] API endpoints responding
 - [x] Wallet connection working
 - [x] Minting flow functional
 - [x] Referral system active
 - [x] Prize pool operational
 - [x] Badge system functional
 - [x] Email notifications configured
 - [x] Security measures in place
 - [x] Smart contracts deployed and verified
-

What Makes Us Different

1. **Unlimited Supply** - No cap on NFT eBooks
 2. **Instant Commissions** - \$5 paid immediately per referral
 3. **Provably Fair** - Chainlink VRF for transparent prize draws
 4. **100% On-Chain** - All data verifiable on Base blockchain
 5. **Gamified Experience** - Badges, levels, and achievements
 6. **Transparent Economics** - Clear revenue splits
-
